Information about Albanian publications issued before 1850 is also contained in bibliographies, most of which is available only in printed form:

- Legrand, Emile; Guys, Henri (1912). *Bibliographie Albanaise. Description raisonnée des ouvrages publiés en Albanais ou relatifs à l'Albanie du quinzième siècle à l'année 1900*. Paris: Librairie Universitaire. 228 p.

This bibliography contains over 700 items in various languages arranged chronologically by date of publication. Below the bibliographic citations are lists of libraries that hold the title. There are indexes for author, editor, library, engraver, and subject.

- Shuteriqi, Dhimiter (1965). *Shkrimet Shqipe ne vitet 1332-1850 (bibliografi)*. Tirane: Shtepia Botonjese “Naim Frasher”. 233 p.
  - 2nd expanded ed. – Tirane: Akademia e Shkencave e RP të Shqipërisë, Instituti i Gjuhësisë dhe i Letërsisë, 1976. 314 p.
  - 3rd ed. – Tirane: Rilindja, 1978. 314 p.

Originally published serially in *Buletin i Universitetit Shteteror te Tiranes* from 1962-1963, this bibliography includes both printed and written works in Albanian language from 1332-1850. The first edition contains 293 entries, the second – 459. Items not included in the first edition are marked in the second with an asterisk. The records are arranged in chronological order. All editions have indexes for author/translator, archives/libraries, printer/publisher, author of cited reference work, place, and subject.
