

SLOVENIA

Electronic RNB database (books to 1850 are not included): <http://sb.nuk.uni-lj.si/>

Period covered: from 1907 to data (it is planned to add materials issued till 1850)

Database has incorporated bibliographic records for books, periodicals, printed music scores, sound recordings, cartographic materials, pictorial materials, and articles. Each section is searchable by title and publication year. The entire bibliography is searchable. Records are provided through the National and University Library catalog or through digitized bibliographies.

The bibliography of articles from 1797-1945 has been prepared, but has not yet been published / available online.

Responsible institution: the National and University Library (Narodna in Univerzitetna Knjižnica) – the National Bibliographic Center (Nacionalni Bibliografski Center) ; contact person: Boris Rifl, the Head of the Slovenian Bibliography Department: boris.rifl@nuk.uni-lj.si

Selection criteria: National Bibliography of Slovenia includes publications – books, periodicals, articles, brochures, musicals etc. – issued on Slovenian territory regardless of the language; works published in Slovenian language abroad; works written by Slovenian authors living in Slovenia and across national borders, and also works published by Slovenian publishers in a wider cultural setting.

The selection criteria to the Slovenian National Bibliography are described here: http://www.dlib.si/listalnik/URN_NBN_SI_DOC-3CLO27H1/index.html (in Slovenian)
