

# CERL's List of Web Resources for Manuscripts and Archives

## INTRODUCTION

Welcome to this collection of annotated web links, which is divided into four sections:

1. Institutional collections – Databases and repositories sorted by country.
2. Beyond institutional collections – Databases and repositories with a national or regional scope (sorted by country) and those with a transnational scope (sorted by title).
3. Research tools – Categories: general, A-Z, cataloguing, chronology, codicology, monasteries, music, palaeography, provenance, reference, texts.
4. Educational and other resources – Categories: blogs, educational, exhibitions, projects, subjects (including websites dedicated to individual manuscripts and persons).

You can pull out a table of contents on the left side, to navigate more easily through the sections.

We appreciate your comments on existing items (please indicate their 4-digit id) and suggestions for new items [in this document](#) (Google Docs).

**In this update the following items were added: 0343-0371.**
